CANADIAN CATHOLIC DATABANK

535,946 Catholic Buyers & Donors \$90/M USD

This is a large and extraordinary list of verified active Roman Catholic Canadian faithful, who have the usual Catholic habits of response to offers and appeals. What is also special about this list is that it has a large number of selections, which can help the user of the list to target the specific area of interest.

For example, these are all property owners, which means that these Catholics in Canada have a solid base of financial security, and have the capability of donating to charitable causes as well as buying Catholic journals, books, travel, and articles. Lists of Canadian Catholics are VERY SCARCE. This database can be of great use to Catholic publishers and fundraisers, as well as for other offers.
