CATHOLIC SOCIAL CONSERVATIVE DONORS

61,009

Active Contributors

\$85/M

This is a strong action file of Catholic conservatives, God-fearing and of the mentality to save US from ourselves, as it were, by protecting America's families and traditional values from today's culture of mindless violence, heartless sexuality, and unbridled hedonism. Their goal is to save the world.

Sourced from active donor campaigns, these Catholic contributors believe that their faith and the will to live by the Lord's Gospel will yet triumph and deliver us from the evils that pervade society.

These are real conservatives who should produce real results for most Catholic mailers, be they fundraisers, publishers, or Catholic retailers, not to mention a whole list of Catholic causes such as pro-life, medical and other missionary needs, Catholic adoption, and the like.

A must test that will result in many roll-outs!
