CONCERNED CATHOLIC DONORS

Catholics in the United States today are especially judicious about how they want their donations targeted and how much of the donation is used for the purpose for which it is being given.

This is a fresh list of active Catholic donors who are very concerned about the life of the Church and the faith and good works of the missions at home and abroad.

Even in hard times, these donors respond to the needs of God's needy and deserving as well as the causes that support the faith.

Well worth a test and eventual roll-out!
