LITURGICAL PRESS' MASTERFILE

64,096 **Active Buyers & Subscribers** **\$90/M**

Liturgical Press is well known nationally and is not only highly respected for its many award-winning books and publications, but has consistently attracted a very high percentage of regular Catholic buyers, both from the ranks of the laity as well as religious.

Having de-duped their files, updated them, cleaned and added new information, this database represents the best of all that Liturgical Press has to offer. It will duplicate a percentage of the names on any of their special lists on the market.

Experience has proven that these files respond very well to many Catholic fundraising needs, etc. Suffice it to say, other publishers use this database constantly.
