PRO LIFE FLORIDA DONORS

17,030

Active

\$100/M

Fully convinced, fully determined, fully dedicated, this is a unique and special group of pro life donors in the State of Florida, energized by their conviction that "when God gives life, it is forever."

Keeping close watch on any and all attacks on unborn babies and the traditional family, these Florida donors have given their money, time and again, and their personal unselfish efforts to protect human life and the principles that support it.

This list should work extremely well not only for pro-life but likewise for fundraising promotions for the missions, the disadvantaged, publishers, children-oriented appeals and the sale of religious and right-to-life materials.

It is presumed that a large portion of these donors are Catholic.
